## KOKKOLA CITY RUN AND MUSTAKARI MEMORIES EVENT CO-OPERATION

Last year we celebrated Suomi 100 year anniversary. Because of the celebration, participants dressed as white and blue. This year the theme is pirates. Mustakari Memories 2018 tickets will reward the best-dressed group. Tickets are valid for Saturday 30.6.2018. The reward will offer us Original Sokos Hotel Kaarle. Take the challenge and find your inner pirate 😊 KCR team will choose the best costumes. Team leader is the event manager Minna Saarela. You can't complain about the decision ;) The prizes will divided, before the actual prize ceremony for the runners. More info about the Mustakari Memories 2018 event you will found from the net page <http://mustakarimemories.fi/>

## KCR SHIRTS AND BAGGS

Like every year, the participant will get a technical running shirt. Almost every year we have divided also a bag with samples. Based on the feedback we won't divide the bags this year. It is getting harder to get samples to the bag and the content has been narrow. However, there are

bags and shirts from previous years, which we will divide to you this year. After the finish line, you can find the bags and shirts from previous years. All are in good condition. In addition, there are Dexal energy smoothie

and Nutrilet Smart Meal bar for everyone. Behalf of Kokkola's central pharmacy girl's floorball team is giving you all Ice Power samples. There are limited amount of bags and shirts from previous years but samples are for everyone.
